CPSC GUIDELINES #325

Product Description

Introducing the extraordinary Eagle's Perch, a commercial playground that takes children's play experience to soaring new heights. This remarkable play structure offers a thrilling slide, a challenging climber, and a plethora of engaging activities that empower children to feel like true champions as they conquer the playground. With its unique design, adorned with cube-shaped blocks and strategic holes, the Eagle's Perch creates an unparalleled climbing adventure that sets it apart from other playground equipment in terms of both aesthetics and play value.

Accessing the elevated platforms is made effortless through the user-friendly Transfer Station Stairs, ensuring inclusivity and accessibility for children of various abilities. The carefully designed Pixel Climber, featuring distinctive cube-shaped blocks and captivating holes, offers an extraordinary climbing experience that captures the imagination of young adventurers like no other.
